1. WELCOME MESSAGE

1.1 Greeting from the President of the Hellenic Karate Federation

Dear all,

On behalf of the Hellenic Karate Federation I am delighted to welcome you to the Karate 1 – Series A event housed for the first time in Athens, Greece.

It is a great honour and pleasure for the HKF to be entrusted by the WKF with the organisation of such an important event. I would like to take this opportunity to thank the WKF president, therefore, Mr. Antonio Espinos and the WKF EC members.

Even though multiple international events have been held by the Hellenic Karate Federation in the past, this will be the first after a long pause. As we are extremely excited to have a successful event and strong comeback, rest assured we are doing everything in our power to meet the high standards of a world class event which will be enjoyed by all competitors, coaches, referees, and fans.

Ano Liosia Olympic Hall is a multi-purpose and multi-sport indoor arena that is located in Ano Liosia, a suburb of Athens, Greece. The Stadium was opened in 2004. The arena was used to host the judo and wrestling events at the 2004 Athens Summer Olympics and it has exceptional facilities and capacity.

I am looking forward to welcoming you all in Athens and would like to thank you in advance for your participation.

Best regards,

Theodore Sietis

HKF President

21. CITY / COUNTRY INFORMATION

21.1 About Athens

A T H E N S

Welcome to Athens, the historical capital of Europe. Welcome to the birthplace of democracy, arts, science and philosophy of western civilization. Home of Plato, Socrates, Pericles, Euripides, Sophocles, Aeschylus. Athens is one of the world’s oldest cities. It’s recorded history spanning around 3.400 years and it is being inhabited since the 11th millennium B.C. E. Today, under the shadow of Parthenon, the contemporary urban scenery of the sprawling city reflects its exciting history, its multi- cultural modern personality as well as the infrastructure and facilities.

The perfect Mediterranean climate with the legendary Greek sunlight, the unique combination of glorious history with modern, urban innovation, the coexistence of great culture with astonishing natural beauty, the high standard hotel accommodation, modern means of transportation such as the cutting edge modern metro, the vibrant rhythm of life, the wide choice of opportunities for shopping, dining and night life and of course the warmth of the Athenians people feature Athens as the ideal all year round city break destination.

A large part of the town’s historic centre has been converted into a 3 km pedestrian zone, one of the largest in Europe. It leads to the major archaeological sites (“archaeological park”), reconstructing – to a large degree – the ancient landscape. Either on foot or by bike, the “Grande Promenade” around Acropolis is an unforgettable journey through history.

21.2 How to get to Athens

[Athens International Airport Eleftherios Venizelos \(ATH\)](#) is one of the most modern ones in the world that provides excellent ground services. From the first day it began operations in March 2001, it has won international awards and distinctions, and has a special place to the heart of its visitors, who has voted Athens airport to be one of the most functional and comfortable airports in Europe. It is situated 33 km southeast of Athens and connects to the [suburban railway](#) and the metro and is the starting point for many bus routes that run to central destinations in Athens. The aforementioned modes of public transport connect to the ports of Piraeus, Rafina and Lavrion, particularly convenient for passengers intending to depart the same day for the islands.

When visiting Athens, pay a visit to the airport's Museum, that gives you the chance to learn about Eleftherios Venizelos, the emblematic figure in world history, as the airport bears the name of this great Greek politician.

For more information about access and public transportation to and from airport visit the [official page of AIA](#).
