CHILDREN

KARATE
CHAMPIONSHIPS

It is my great pleasure to invite children from the Balkan countries to come to Istanbul on the 19th Balkan Children Championship.

Turkey is the traditional host major sporting events such as this competition. Bring together the whole Balkan in one place; it is a great honor and responsibility for Karate Federation of Balkan.

Accepting the organization of this tournament Karate Federation of Balkan wants to show everyone how karate is positive, mass and popular sport.

We hope that all participants will see and feel the energy, knowledge and hospitality of our hosts. This event is more than just a competition. It will be a combination of friendship, art, and karate.

I am convinced that Turkey and Istanbul, as many times before, are ready to justify the trust.

I wish that this event, for all participants and for the karate sport, be seen as wordless dialogue in the spirit of sport philosophy. Karate speaks all languages and connects all people and generations, regardless of race, sex and religion.

Let the best win!

The President of Karate Federation of Balkan

WELCOME TO ISTANBUL

İSTANBUL

A world center of great value in the past as well as in the present, Istanbul embraces Asia on the one hand and Europe on the other.

Istanbul, with its historical peninsula, numerous scenic and historical beauties is a magnificently unique city that has been capital to many civilizations from past to present and still continues to be home to residents from all over the world. This rooted city, with a history dating back to 300 thousand years before, constitutes a mosaic of many civilizations and cultures combined.

One may come across legacies and monuments of thousands of years behind any door or around any corner in Istanbul. Whether you take a round tour in Istanbul or visit any of the 39 districts nearby, you will catch hold of various historical and natural wonders any minute.

You may begin your Istanbul tour at the Grand Bazaar that will enchant you with its bright and pleasant environment while a sense of peace and security will wrap you tightly in Hagia Sophia. A tour of the pearl of the Bosphorus, Ortaköy, will let you enjoy the delightful views along the deep blue coast.

Watching the flying seagulls at Eminönü by the time the rising sun illuminates the city, you will notice the docked boats rocking gently as if to greet you. What's more, you won't be able to resist the fresh scent of the city when the first ray of lights illuminate the shimmering fishes swimming around the fishing twines.

The setting sun illuminates the city like a painting every evening. The candle-like silhouettes of the mosques rise above the historical peninsula to greet the city while the sun and the moon salute each other as the day turns into night. Right at that moment you will feel like a sultan in the cradle of civilizations.

Bridging two continents, this unique city, where one can encounter people from different countries and witness diverse cultures merging in harmony, will awaken completely different feelings in you.

There is a lot to experience and share in Istanbul. Are you ready to explore this magic city?

Airports

Istanbul is one of the most easily accessible metropolises of the world. It has the largest traffic network in Turkey and offers numerous alternatives of city transport. At the crossroads of the European and Asian continent, the air traffic in Istanbul is very dynamic as the city lies on the connecting and direct flight route of major airways companies. There are two airports in Istanbul that welcome their international guests, the Ataturk International Airport on the European side and the Sabiha Gokcen International Airport located on the Asian side.
